November 2020

The church plant in Welch, WV, went well, and Pastor Mike Blake is leading Living Hope Baptist to reach their community with the gospel. He was recently able to lead ten people to Christ through an outreach event at the church. Over sixty churches helped establish this thriving new ministry, and it was great to see the cooperation. We're especially thankful for Pastor Jamie Mattox leading Rich Creek Baptist in Spanishburg, WV, to be the reproducing church.

Even during these difficult days, we are thankful for men following God's call to plant more churches. Please pray for the men listed below as they raise support and prepare to launch out by faith and establish new works. I will keep you informed with details and send out pertinent updates.

Dustin Beck to Butte, MT	dustin.beck@gmail.com
Jackie Elwart to Big Bear, CA	pastorelwart@icloud.com
Mike Blake to Welch, WV	pastormakeblake@gmail.com
Caleb Terry to Gallatin, TN	scalebterry@gmail.com
Brad Borke to East Cleveland, OH	bradborke@gmail.com
Josh Levesque to Dearborn, MI	josh@dearbornbaptist.church

There is no question that the more churches there are, the more impact is made in society. If a country is dark, it is because there aren't enough churches bringing the light. The answer to moral decay, corruptness, and wickedness is the establishment of multiple local churches. Churches reproducing churches that will one day reproduce more churches is the answer!

I am thankful that the Lord is still on the throne, still wanting all the world to come to Christ, and is still commissioning churches to establish new churches that will boldly proclaim the truths of God's Word. Thank you for praying for and investing in BCPM! You are a blessing as we advance the gospel and church planting.
