

February 2026

I am thankful for the attention and focus I see on church planting. As I mention to every church planter, there has never been a better time to plant a church! There are more resources, finances, and helps than ever before. Along with the church planting projects, every year I have the privilege to speak at several church planting conferences, seminars, and colleges to encourage churches to reproduce churches. Please pray for these upcoming meetings.

Feb 20-21 Melbourne, Australia – Faith Baptist with Pastor Frank Guglielmo

March 1-4 Southwest Bible Conference – NorthSide Baptist in Nolansville, TX with Pastor Adam Garber

March 31 - April 1 Pensacola Christian College Church Planting Seminar, College and Ministerial Chapel

May 18-19 Keystone Church Planting Conference – Dry Run Baptist in Duncansville, PA with Pastor John Leatherman

Pray for these meetings to be used to encourage churches to reproduce more churches. Pray also for men to surrender to being used of God to pastor and pioneer new works. Pray also for laborers to be used, however they can, to further the cause of Christ in assisting the new church plants.

Thank you for your investment in BCPM! May the Lord bless your involvement and desire to help churches reproduce churches.
