**UA Local 400 Plumbers & Steamfitters
2700 Northridge Drive
Kaukauna, WI**

During his election campaign President Trump called NAFTA,
“a disaster” and “the worst trade deal the U.S. ever signed.”

The Administration has now released its “re-negotiating objectives,”
and talks began August 16.

WHAT CHANGES DOES TRUMP PROPOSE FOR NAFTA?

WOULD THESE CHANGES HELP WISCONSIN WORKERS?
WISCONSIN FARMERS? OUR ENVIRONMENT?

**WHAT CHANGES NEED TO BE MADE FOR NAFTA TO
WORK FOR US?**

Please join us in Kaukauna to hear from working people, family farmers,
environmentalists, and others about NAFTA’s impacts on Wisconsin
and their visions for a fair NAFTA replacement deal that would benefit the large
majority of people in WI-- and beyond.
