Join WEAC educators across Wisconsin to show your dedication to Public Education by joining in the Public Education Network's 'I Love My Public School Week of Action.' It's easy! Here's the 5-point plan:

- ☐ **Spread the word.** Before the week starts, send an email outlining the plan. Share the graphics and ask everyone to commit to being part of the project during the week of February 12-16.
- ☐ **Change your profile picture on social media.** Use our graphic.
- ☐ **Sign onto our Public Schools Pledge.** Add your name to our pledge to support neighborhood public schools.
- ☐ **Take a selfie.** Print our 'I LOVE MY PUBLIC SCHOOL BECAUSE...' sign and then share your picture on social media. Be sure to use our photo frame on Facebook.
- ☐ **Contact your elected officials.** Send a virtual message to your elected officials by tagging your elected officials on social media with your selfie. For help finding your legislators, [email us](#).

EXTRA CREDIT. If you're able, grab a group of your colleagues and make plans for an extra-special event to raise excitement around the week. Stuff mailboxes with Valentines from your Local Association, plan a 'Welcome Walk' with your PTO before school on Valentine's Day, or send in a letter to the editor from your Local Association.
