Sapphire Club

An exclusive experience for individuals and organizations passionate about the mission of the TEMA Foundation.

Minimum $2,500 donation

Annual Recognition:

Your generous support will be celebrated annually on our website and prominently featured on banners at TEMA and TEMA Foundation events, at our annual charitable golf tournament, and at sponsored virtual TEMA Energy Basics and TEMA Table events. Talk about visibility!

Direct Impact:

Your contribution directly empowers members of TEMA and brightens the future for high school students striving for higher education in a STEM related field. You'll be providing crucial assistance in the areas of continuing education, professional growth, and workforce development, making a tangible difference in their lives.

Charitable Golf Tournament + Sapphire Club

Diamond, Platinum, and Gold sponsors at our annual golf tournament can receive a full year's Sapphire Club Sponsorship recognition with an additional donation of $1,000 added to the golf sponsorship. This is an incredible value for our dedicated golf tournament sponsors.

"This scholarship will allow me to engage with industry professionals, expand my knowledge, and connect with like-minded individuals. I look forward to learning from the event's sessions and discussions, which I know will be invaluable for my professional growth."
