An act to add Part 16 (commencing with Section 54000) to Division 31 of the Health and Safety Code, *and to add Article 5z (commencing with Section 998.600) to Chapter 6 of Division 4 of the Military and Veterans Code*, relating to housing, by providing the funds necessary therefor through an election for the issuance and sale of bonds of the State of California and for the handling and disposition of those funds, and declaring the urgency thereof, to take effect immediately.

legislative counsel's digest

SB 3, as amended, Beall. *Affordable Veterans and Affordable Housing Bond Act of 2018.*

Under existing law, there are programs providing assistance for, among other things, emergency housing, multifamily housing, farmworker housing, home ownership for very low and low-income households, and downpayment assistance for first-time home buyers.

Existing law also authorizes the issuance of bonds in specified amounts pursuant to the State General Obligation Bond Law and requires that proceeds from the sale of these bonds be used to finance various existing housing programs, capital outlay related to infill development, brownfield cleanup that promotes infill development, and housing-related parks. *Existing law, the Veterans' Bond Act of 2008, authorized, for purposes of financing a specified program for farm, home, and mobilehome purchase assistance for veterans, the issuance, pursuant to the State General Obligation Bond Law, of bonds in the amount of \$900,000,000.*

This bill would enact the *Veterans and Affordable Housing Bond Act of 2018*, which, if adopted, would authorize the issuance of bonds in the amount of ~~\$3,000,000,000~~ \$4,000,000,000 pursuant to the State General Obligation Bond Law. ~~Proceeds of the proceeds~~ from the sale of these ~~bonds~~ bonds, \$3,000,000,000 would be used to finance various existing housing programs, as well as infill infrastructure financing and affordable housing matching grant programs, as ~~provided~~ provided, and \$1,000,000,000 would be used to provide additional funding for the above-described program for farm, home, and mobilehome purchase assistance for veterans, as provided.

This bill would provide for submission of the bond act to the voters at the November 6, 2018, statewide general election in accordance with specified law.

This bill would declare that it is to take effect immediately as an urgency statute.

Vote: $\frac{2}{3}$. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 *SECTION 1. This act shall be known, and may be cited, as the*
2 *Veterans and Affordable Housing Bond Act of 2018.*

3 **SECTION 1.**

4 *SEC. 2. The Legislature finds and declares all of the following:*
5 (a) California is experiencing an extreme housing shortage with
6 2.2 million extremely low income and very low income renter
7 households competing for only 664,000 affordable rental homes.
8 This leaves more than 1.54 million of California's lowest income
9 households without access to affordable housing.

1 (b) While homelessness across the United States is in an overall
2 decline, homelessness in California is rising. In 2015, California
3 had 115,738 homeless people, which accounted for 21 percent of
4 the nation's homeless population. This is an increase of 1.6 percent
5 from the prior year. California also had the highest rate of
6 unsheltered people, at 64 percent or 73,699 people; the largest
7 numbers of unaccompanied homeless children and youth, at 10,416
8 people or 28 percent of the national total; the largest number of
9 veterans experiencing homelessness, at 11,311 or 24 percent of
10 the national homeless veteran population; and the second largest
11 number of people in families with chronic patterns of homelessness,
12 at 22,582 or 11 percent of the state's homeless family population.

13 (c) *It is essential to continue funding, which is soon to expire,*
14 *for housing programs that are necessary to address the housing*
15 *needs of the large number of veterans and their families living in*
16 *California.*

17 (e)

18 (d) California is home to 21 of the 30 most expensive rental
19 housing markets in the country, which has had a disproportionate
20 impact on the middle class and the working poor. California
21 requires the third highest wage in the country to afford housing,
22 behind Hawaii and Washington, D.C. The fair market rent, which
23 indicates the amount of money that a given property would require
24 if it were open for leasing, for a two-bedroom apartment is \$1,386.
25 To afford this level of rent and utilities, without paying more than
26 30 percent of income on housing, a household must earn an hourly
27 "housing wage" of \$26.65 per hour. This means that a person
28 earning minimum wage must work an average of three jobs to pay
29 the rent for a two-bedroom unit. In some areas of the state, these
30 numbers are even higher.

31 (d)

32 (e) Low-income families are forced to spend more and more of
33 their income on rent, which leaves little else for other basic
34 necessities. Many renters must postpone or forgo home ownership,
35 live in more crowded housing, commute further to work, or, in
36 some cases, choose to live and work elsewhere.

37 (e)

38 (f) California has seen a significant reduction of state funding
39 in recent years. The funds from Proposition 46 of 2002 and
40 Proposition 1C of 2006, totaling nearly \$5 billion for a variety of

1 affordable housing programs, have been expended. Combined with
2 the loss of redevelopment funds, \$1.5 billion of annual state
3 investment dedicated to housing has been lost, leaving several
4 critical housing programs unfunded.

5 (f)

6 (g) High housing costs and the shortage of housing stock in
7 California directly affect the future health of California's economy
8 and, given the staggering numbers indicated above, bold action is
9 necessary. Investment in existing and successful housing programs
10 to expand the state's housing stock should benefit California's
11 homeless and low-income earners, as well as some of the state's
12 most vulnerable populations, including foster and at-risk youth,
13 persons with developmental and physical disabilities, farmworkers,
14 the elderly, single parents with children, and survivors of domestic
15 violence. Investments should also be made in housing for Medi-Cal
16 recipients served through a county's Section 1115 Waiver Whole
17 Person Care Pilot program and family day care providers.

18 (g)

19 (h) Investment in housing creates jobs and provides local
20 benefits. The estimated one-year impacts of building 100 rental
21 apartments in a typical local area include \$11.7 million in local
22 income, \$2.2 million in taxes and other revenue for local
23 governments, and 161 local jobs or 1.62 jobs per apartment. The
24 additional annually recurring impacts of building 100 rental
25 apartments in a typical local area include \$2.6 million in local
26 income, \$503,000 in taxes and other revenue for local governments,
27 and 44 local jobs or .44 jobs per apartment.

28 (h)

29 (i) California has 109 federally recognized tribes and 723,000
30 residents with Native American ancestry, the largest number of
31 tribes and residents in the United States. Due to historic dislocation
32 and lack of housing choices, most do not live on tribal lands and
33 those who do live in severely substandard, overcrowded homes
34 lacking quality water and sewer services at rates greater than the
35 general population.

36 SEC. 2.

19 Code), except subdivisions (a) and (b) of Section 16727 of the
20 Government Code to the extent that those provisions are

22 law as amended from time to time apply to the bonds and to this
23 part, except as provided in Section 54028, and are hereby
24 incorporated in this part as though set forth in full in this part.

25 54014. (a) Solely for the purpose of authorizing the issuance
26 and sale, pursuant to the State General Obligation Bond Law, of
27 the bonds authorized by this part, the committee is continued in
28 existence. For the purposes of this part, the Housing Finance
29 Committee is “the committee” as that term is used in the State
30 General Obligation Bond Law.

31 (b) The committee *Department of Housing and Community*
32 *Development* may adopt guidelines establishing requirements for
33 administration of its financing programs to the extent necessary
34 to protect the validity of, and tax exemption for, interest on the
35 bonds. *programs*. The guidelines shall not constitute rules,
36 regulations, orders, or standards of general application and are not
37 subject to Chapter 3.5 (commencing with Section 11340) of Part
38 1 of Division 3 of Title 2 of the Government Code.

39 (c) For the purposes of the State General Obligation Bond Law,
40 the Department of Housing and Community Development is

1 designated the “board” for programs administered by the
2 department, and the California Housing Finance Agency is the
3 “board” for programs administered by the agency.

4 54016. Upon request of the board stating that funds are needed
5 for purposes of this part, the committee shall determine whether
6 or not it is necessary or desirable to issue ~~bonds authorized pursuant~~
7 ~~to this part in order to carry out the actions specified in Section~~
8 ~~54006, bonds~~, and, if so, the amount of bonds to be issued and
9 sold. Successive issues of bonds may be authorized and sold to
10 carry out those actions progressively, and are not required to be
11 sold at any one time. Bonds may bear interest subject to federal
12 income tax.

13 54018. There shall be collected annually, in the same manner
14 and at the same time as other state revenue is collected, a sum of
15 money in addition to the ordinary revenues of the state, sufficient
16 to pay the principal of, and interest on, the bonds each year. It is
17 the duty of all officers charged by law with any duty in regard to
18 the collections of state revenues to do or perform each and every
19 act which is necessary to collect that additional sum.

20 54020. Notwithstanding Section 13340 of the Government
21 Code, there is hereby appropriated from the General Fund in the
22 State Treasury, for the purposes of this part, an amount that will
23 equal the total of both of the following:

24 (a) The sum annually necessary to pay the principal of, and
25 interest on, bonds issued and sold pursuant to this part, as the
26 principal and interest become due and payable.

27 (b) The sum which is necessary to carry out Section 54024,
28 appropriated without regard to fiscal years.

29 54022. The board may request the Pooled Money Investment
30 Board to make a loan from the Pooled Money Investment Account,
31 in accordance with Section 16312 of the Government Code, for
32 purposes of this part. The amount of the request shall not exceed
33 the amount of the unsold bonds that the committee has, by
34 resolution, authorized to be sold, excluding any refunding bonds
35 authorized pursuant to Section 54026, for purposes of this part,
36 less any amount ~~withdrawn pursuant to Section 54024~~. *loaned*
37 *pursuant to this section and not yet repaid and any amount*
38 *withdrawn from the General Fund pursuant to Section 54024 and*
39 *not yet returned to the General Fund.* The board shall execute any
40 documents as required by the Pooled Money Investment Board to

1 obtain and repay the loan. Any amount loaned shall be deposited
2 in the fund to be allocated in accordance with this part.

3 54024. For purposes of carrying out this part, the Director of
4 Finance may, by executive order, authorize the withdrawal from
5 the General Fund of any amount or amounts not to exceed the
6 amount of the unsold bonds that the committee has, by resolution,
7 authorized to be sold, excluding any refunding bonds authorized
8 pursuant to Section 54026, for purposes of this part, less any
9 amount withdrawn pursuant to Section 54022. *loaned pursuant to*
10 *Section 54022 and not yet repaid and any amount withdrawn from*
11 *the General Fund pursuant to this section and not yet returned to*
12 *the General Fund.* Any amounts withdrawn shall be deposited in
13 the fund to be allocated in accordance with this part. Any moneys
14 made available under this section shall be returned to the General
15 Fund, plus the interest that the amounts would have earned in the
16 Pooled Money Investment Account, from moneys received from
17 the sale of bonds which would otherwise be deposited in that fund.
