

Lauren,
blood stem
cell donor

SAVE A LIFE

Thousands of patients with blood cancers and other deadly diseases could be cured with a blood stem cell donation from a genetically matched donor.
YOU could be a family's hope for a cure.

Join us to Save a Life

GP7 Atrium

(Guggenheim Pavilion, 7th floor)

June 16th, 2022

10-4pm

**BE THE
MATCH®**
