

Swiss Liver Research Meeting Grindelwald January 09-11, 2026

Hotel Sunstar Grindelwald
<https://grindelwald.sunstar.ch/>

Participants

Research fellows and faculty from University Hospitals and Centers Basel, Bern, Geneva, Lausanne, Lucerne, St. Gallen and Zurich

Format

Liver research presentations by faculty and fellows during morning and evening
Skiing, sports, or spa in the afternoons

Objective

The Swiss Liver Research Meeting in Grindelwald serves as a dynamic platform for sharing ideas, experiences, and visions among physicians and scientists from Swiss universities and research institutions. The goal is to foster collaboration across diverse fields of basic and translational hepatobiliary research.

Modalities

Fellows and investigators from basic and translational science laboratories are invited to submit a short abstract (< 300 words, single-spaced) presenting original work. Abstracts should be submitted by e-mail to gabriela.kaufmann@gkaufmann.ch, using the attached **Abstract Form**.

Deadline of Abstract Submission

December 10, 2025. Each fellow may submit only one abstract.

Format

Fellow and faculty presentations will take place in morning and evening sessions, complemented by recreational activities in the afternoon (e.g., skiing or spa). The inspiring alpine setting and shared time together are intended to encourage lively discussion and fruitful exchange of research ideas.
