|-----------------------------|--|
| Purpose | To encourage local HOSA chapters to achieve the goals of HOSA by implementing a program of work with a focus on the development of leadership skills, career opportunities, and service learning among chapter members, and to document their achievements in the form of a chapter book. This event is designed to recognize excellence. |
| Description of Event | <p>HOSA chapter members create a book to record and preserve their chapter’s achievements during a single school year. This is a chapter event. Involve as many chapter members as possible in creating the book, and your final product will provide a record of your chapter’s achievements for future chapter members. Chapters that submit books properly documenting chapter activities in the book as described in the event rating sheets. Chapters who meet or exceed 14 of the 17 standards will be recognized with the Ohio HOSA Gold Chapter designation.</p> <p>This event is not designed to require your chapter to submit an activity in each category. Instead, you will want to focus on planning meaningful activities and then successfully provide proof of your achievements in the book. Your focus should be on the quality of your chapter activities.</p> <p>In competition, the book is submitted by a chapter member and the contents are evaluated by one judge.</p> |
| Dress Code | Competitors must be in official HOSA uniform or in proper business attire for the drop off and project display time. |
| Rules and Procedures | <ol style="list-style-type: none"> 1. The Ohio HOSA Gold Chapter event will be conducted at the state level. All chapters recognized at the state level must meet 14 of the 17 standards. 2. The book (limited to one entry per chapter) must be turned in at the designated time. 4. Books will be judged using the event rating sheet (rubric). Competitors are not present during the judging but are required to pick up their book at the end of judging. Books will be displayed in a designated location for all state attendees to view. Competitors must pick up books at the conclusion of the project display time. 5. Books may be presented in any 3 ring binder. <ul style="list-style-type: none"> ▪ Sheet protectors must not obscure the materials to be judged. ▪ This book is limited to 100 pages or less, with <u>only one side of the page being used</u>. ▪ Each page must be numbered sequentially. 6. The book should focus on those elements that earn points (content) and not fancy additions or embellishments that take up time and expense but do not add meaning to the chapter activity. The focus is on accomplishments and not the appearance of the book |

7. Each book will have a cover page (page 1) with the following information:
 - Name of Chapter
 - Type of program (middle school, secondary)
 - Name of School
 - City, state and zip code
8. Page 2 is a membership page that includes the **entire** official membership roster printed from the HOSA website (if more than one page, stapled and placed in a page protector, and will count as one page).
10. Each of the remaining 98 pages or less will be used to provide evidence of the chapter's activities.
 - In order to help the judge properly evaluate each category, each page must have two important items – a page heading (at top of page) and a page number (bottom right corner). This will allow the judge to quickly find the items to be evaluated on the rating sheet.
 - There is no limit to the number of pages for a specific category, however, the entire book is limited to 100 pages.
11. **An activity or program may be claimed and judged in only one (1) category.** (Many activities could accurately work for one or more categories).
12. Chapter members should create a book that is clear, concise, and easy to evaluate. Layers on pages are permitted but discouraged. They should be used for multiple page membership rosters, pamphlets or programs but not to circumvent the 100-page rule. If layers are used, sheet protectors should not be used.
13. The creation of the book must be the work of a chapter member or members. All content must be typed or clearly handwritten. Photocopies may be used.
14. The book will contain materials from June 1, 2019 to March 1, 2020.
