City of Hollywood Mobility Improvements Project
FIN: 431770-5-52-01
Construction Cost: $3,049,774 • Contractor: The Stout Group
Construction Schedule: Construction begins July 10, 2019 and is expected to be completed by Fall 2020

Traffic Impact
• The outside westbound lane along Hollywood Boulevard from 35th Avenue to Academy Circle will be closed during construction.
• One lane in each direction of Park Road, from Washington Street to Johnson Street, will be closed during construction, only one direction at a time.
• Lane closures will occur overnight, Sunday through Thursday, between 9 p.m. and 5:30 a.m., and Monday through Friday, between 9 a.m. and 4 p.m.

Project Improvements
• Installing bike lanes along Hollywood Boulevard and Park Road.
• Adding shared lane pavement markings along 35th Avenue, Polk Street, Rainbow Drive, Circle Drive, and Van Buren Street to enhance the safe travel of bicycles and motor vehicles in the same traffic lane.
• Installing sidewalks along Fillmore Street, Hollywood Boulevard, and the intersections of Polk Street and Van Buren Street at 24th Avenue.
• Adding a mid-block crossing on Hollywood Boulevard, east of 28th Avenue.
• Relocating the existing water main on the north side of Hollywood Boulevard.
• Adding french drains on Hollywood Boulevard between Academy Circle and 35th Avenue, and on Park Road between Washington Street and Johnson Street.

Lane closure information and construction work hours will be provided in the weekly traffic report distributed by FDOT or on our website at www.d4fdot.com
