Q&A For Early Childhood Educators

Monthly Drop-In Hours!

Join us on the first Wednesday of every month for an informal, open Zoom session where early childhood educators can drop in at any time during the hour to ask questions and get support related to CLASS. Whether you're new to CLASS or just need clarification on specific domains, indicators, or best practices, this is your space to connect, learn, and grow with the ELCPH Quality Performance Team.
No registration needed—just stop by when it works for you!

5 NOV | **Upcoming Session 1-2 PM**
