Christmas Around the World

Make-and-Take Training

On Christmas morning, children around the world wake up to joy and excitement—but celebrations look different depending on their culture and traditions.

In this interactive training, learners will discover how different countries celebrate Christmas and and participate in hands-on cultural awareness activities.

Hop aboard the Global Christmas Express and enjoy a train ride to Mexico, Canada, England, and beyond as we explore Christmas customs from around the world.

Join us for a fun, in-person, multicultural Christmas training with a literacy twist. All learners will receive a book and supplies for each (make-and-take) activity.
