Bring hands-on learning back into your preschool classroom with this engaging Make & Take training session!

Join Ms. Samantha Dominguez for a fun, interactive experience where you will create a variety of file folder games designed to support early learning and independent play.

- Ready-to-use file folder activities that build key early learning skills such as colors, letters, sequencing, and patterns
- Create hands-on games for color matching, alphabet matching, seasons, weather, the five senses, and more
- Interactive activities like “How to Make a Pizza” and other play-based learning ideas
- Leave with up to 15 completed file folder activities to take back and use in your classroom immediately
