

MMCI Interaction Essentials

Over 200 research studies confirm that improving the quality of your interactions with your students helps them achieve more in school and life. **Interaction Essentials for Educators** focuses on the effective interactions described and measured by the **Classroom Assessment Scoring System (CLASS®)**.

Participate in Interaction Essentials for Educators to:

- Strengthen your understanding of how effective interactions help you connect, engage, and inspire learning.
- Build intentional interaction habits to improve educational outcomes.
- Join a community of educators to share challenges, strategies, and successes.
