Hello ELC Pasco & Hernando Educators! 🌟
The holidays are almost here, and it's the perfect time to spread some cheer — and a little friendly competition! 🎄✨

We're excited to announce the December Family Engagement Challenge!
From now through December 31st, the educator whose families are the most engaged in MarcoPolo For Families will win a MarcoPolo Swag Bag! 🎁🎉

How will the winner be chosen?
We'll be looking for classrooms where families are actively using MarcoPolo For Families — that means families who are:
⭐ Watching videos
🎮 Playing foundational games
💖 "Loving" videos to activate the Let's Talk feature and spark conversations at home
The teacher with the highest level of overall family engagement by December 31st will be our winner! 🏆

How to participate:
1. Log into MarcoPolo For Educators
2. Click "My Class" at the top right
3. Click "Students" on the left-hand side
4. Click "Add Child" to add new students
5. Click the gear icon to remove students who are no longer in your class

✅ **Check family status:**
- Registered → Family is all set! 🎉
- Pending → Click the gear icon and select "Resend Invite." Once the family sets their password, they'll show as Registered.

Families will receive an email or text to create their account and access the MarcoPolo For Families app 📱.

Why participate?
Family engagement boosts academic success, improves behavior, and strengthens your classroom community 🌟📚💖
Let's make December the month of connection, learning, and a little fun competition — plus, who doesn't love free swag? 😉

Good luck, and may the most engaged educator win! 🏆
