

FLIP IT®:

Transforming Challenging Behavior

Support Children's Self-Control and Emotional Understanding through this Hybrid Training!

FLIP IT® is a simple, effective, four-step strategy that helps educators respond positively to everyday situations and difficult behaviors.

Participants will learn how to support young children in:

- Recognizing and understanding their feelings
- Developing self-control
- Building problem-solving skills
- Reducing challenging behaviors through positive guidance

**FREE
BEHAVIOR
TRAINING!**
