"What's Going On In Their Heads?"

Whole Child Development: An Intentional Practice Strategy

October 13, 2026

Creating Spaces, Practices, and Understanding for All Learners

October 20, 2026

Is It Misbehavior or Missed Communication?

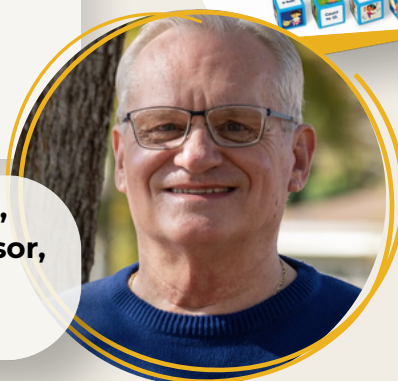

November 3, 2026

Authentic Relationships: More Than Just Showing Up

November 10, 2026

***All sessions
6:30-8:00 PM**

Explore what's happening beneath children's behaviors and gain practical strategies to better understand child development. This four-part virtual series will equip early childhood educators with tools and insights to create more responsive, supportive, and successful learning environments. Participants will receive free supplemental classroom materials and 8 in-service hours upon completion.

**Hosted by Keith Pentz,
