

## GENERAL ENGLISH CLASSES

**BEGINNER.** (4 Leves. [Intro](#), [Beginner 1](#), [Beginner 2](#), [High Beginner](#)). Target the fundamentals necessary to learn English, with an emphasis on developing an initial foundation in written and oral communication. The coursework includes the following areas of focus:

- The fundamental structure of the language
- Practical and applicable vocabulary words
- The basics of listening, speaking, reading and writing in English

**INTERMEDIATE.** (4 Leves. [Low Intermediate 1 and 2](#), [Intermediate 1 and 2](#)). Target the skills that lead to increased fluency and linguistic flexibility. The coursework includes the following areas of focus:

- Enhanced vocabulary
- Conversational English, including accurate pronunciation
- Critical comprehension skills in verbal and written communication
- Preparation for common academic expectations, including essay writing and note-taking
- Levels 7 – 8 Phrasal verbs, Pronunciation and Accent Reduction

**ADVANCE.** (4 levels, [Intermediate 3](#), [Intermediate Advance 1 & 2](#), [Advance 1](#)). Designed for students who speak English fluently using correct vocabulary and grammatical structures. These concentrate on expanding vocabulary and focusing on those elements that make a language live.

**MASTER ENGLISH CLASSES.** ([Advance 2](#), [Accent Reduction](#), [Business](#), [Writing](#), [Preparation for TOEFL](#), [Advance Grammar & more specific needs](#)). Designed for students that are fluent in English language but have room for improvement or plan to attend a collage or university in the United States. It gives the student ample time to practice speaking and works on proper grammar.
