More Information

What is the Private Property Debris Removal (PPDR) program?

The PPDR program helps property owners in Alleghany County (unincorporated areas and municipalities) with removal of eligible disaster debris or demolition of unsafe, unrecoverable structures on their property at no cost.

What type of debris is eligible for removal?

- Hazardous limbs, trees, or other mixed debris caused by disasters near maintained areas
- Debris affecting waterways
- Demolition of unsafe structures, including concrete slabs

What do I need to apply?

- Photo ID and signature for everyone on the property deed
- Trust documents, if applicable

Limited to maintained areas of improved properties. Vacant properties are not eligible.
