

March for Life Mobile would like for all of the schools in the Archdiocese to 'participate' in the March for Life this year. The date of the march is January 29th. (The March in Washington was pushed back to the 29th because of the inauguration the week before.) They realize that coming to downtown Mobile isn't possible this year, but they would like for the schools to participate at their campuses. They also suggest that each school attend Mass at their school that day and offer it for pro-life intentions.

March for Life Mobile is also selling t-shirts this year. Christ the King will have an "out of uniform" day on January 29th and allow students to wear the t-shirts. Spirit shirt rules apply.

**If you would like a shirt, please return the completed form with your payment (cash or check) to the school office by Friday, December 18, 2020. The shirts are \$15.**
