"Happy Hour"

*Welcome all to my happy hour.
Time to forget a day so sour.*

*Now raise your glass and make a toast,
With family and friends we love the most.*

*Before the sands of time run out,
Let's drink and sing and dance about.*

*And should a good time be had by all?
We'll pour another and have a ball!*

*But if the sand runs out too quick,
Flipping it over should do the trick*
