

**Catholic Trivia 2-18 Answers:**

- 1. The Act of Contrition**
- 2. Mount Sinai**
3. In 1979, **Pope John Paul II** chose St. Francis to be the patron saint of ecology.
4. The **Vatican City State** (not Italy)
5. **March 2** which is later than usual. The latest date Ash Wednesday can occur is March 10 (when Easter Day falls on April 25 ) which occurred in 1666, 1734, 1886 and 1943 and will next occur in 2038. The earliest date Ash Wednesday can occur is February 4 (which is only possible when Easter is on March 22), which happened in 1598, 1693, 1761 and 1818 and will next occur in 2285.
