

Scout Sunday Celebrated at St. Patrick Parish

Scouts from St. Patrick Catholic Community gathered for the 9:00 am Mass last Sunday (February 6), the traditional beginning of their birthday week. The movement turns 112 year old this year.

Several Scouts recently completed work on awards sponsored by the National Catholic Committee on Scouting. Congratulations to Daniel Lopez for earning the Ad Altare Dei Emblem, an award received by scouts who have explored the connection between scouting and the sacraments of the Church. Xander Gray and Daniel Lopez both earned the Pope Pius XII Emblem, presented to scouts who learned about church-related ministries, vocations, and addressed current issue facing the Church and society.

Kade Hubbard and William McKinney, Cub Scouts from our parish, also earned the Light of Christ Award. This program helps the scout to see Jesus as a real person and his friend.

This picture shows the Scouts after the Mass celebrated by their chaplain Fr. Bill Rowland, CJM.

Cub Scouts is a family-oriented program providing our younger ones with exciting adventures and activities for boys in grades K-5. Scouts BSA is an outdoor program for boys 11-17 years old. From the backcountry to being a responsible member of our community, from team building to making ethical and moral decisions in life, Scouting offers our boys the chance to build friendships that will last a lifetime. Join us for hiking, camping, canoeing, and service to others.

Through the hard work of the adult leaders, our scouts have continued to meet throughout the pandemic, always according to whatever the guidelines and protocols were at the time. They are a dedicated and fun-loving group.
