

Catholic Trivia 3-12 Answers:

1. St. Patrick was born around 385 AD and died around 461 AD.
2. Patrick was born in Britain/Scotland but Irish pirates kidnapped him at age 16. After some time, he returned to England as a missionary but was eventually asked by the pope to return to Ireland as a missionary. Due to his success, he became an Irish patron saint.
3. Patrick tended sheep.
4. After six years as a slave, he managed to escape.
5. Patrick was never canonized as a saint. This is simply due to the era in which he lived. There was no formal canonization process in the Catholic Church until the 1200s.
