

# 2019 SUMMER CAMP

## July 22 - 26 9am - 4pm

Early bird  
until June 1  
**\$180**

June 2 - July 15  
**\$200**

To inquire about scholarships  
email [STEAM.camp@flcc.edu](mailto:STEAM.camp@flcc.edu)

**STEAM GENEVA** - Students entering 7th, 8th, or 9th grades in the fall of 2019 can register for STEAM summer camp at the FLCC Geneva Campus Center. Campers will explore the connection of STEAM to the community through forensic science! Students will learn how to collect evidence, test the evidence in a lab, and present the evidence to make an accusation. Students will also have an opportunity to meet members of the community that connect to STEAM. Students will focus on FLCC values, challenging them to inquire, persevere, make connections, and practice being vital members of the community.

*Register Today at:*
