

Iglesia Cristo Reina Update December 2018

ICR continues to grow in number and spirit under the leadership of Pastor Paul Vásquez. Our Backyard Bible Club at Shiloh Mobile Home was a great opportunity to reach out to the community of PTC and be in contact with the children and their mothers. It was also wonderful to work with Mrs. Theresa Dickens and her team. While working with around 70 people in the Hispanic community the members of ICR were able to experience the great potential we have to spread the gospel. Together we can do great things!

ICR celebrates the birthdays of all members on the last Sunday of each month with a meal after the service.

Pastor Paul signing the annual renewal for the Covenant Partnership between ICR and FBCPTC July 31, 2018

The women's ministry meets every other week. Their objective is to assume a leading role in serving God and helping others within their family, their church and the community.

The men's ministry provides the men of ICR a great experience to grow spiritually as well as to grow in our relationship with each other. Touching on various topics in the Bible, the men are encouraged to grow in their personal relationship with Jesus Christ.

Manuel and Adriana Monarrez are a new couple to ICR who have experienced the love of Jesus Christ and are committed to serving and growing in the Lord. The "Three Days with God" retreat prepared them to return to ICR wanting to serve.

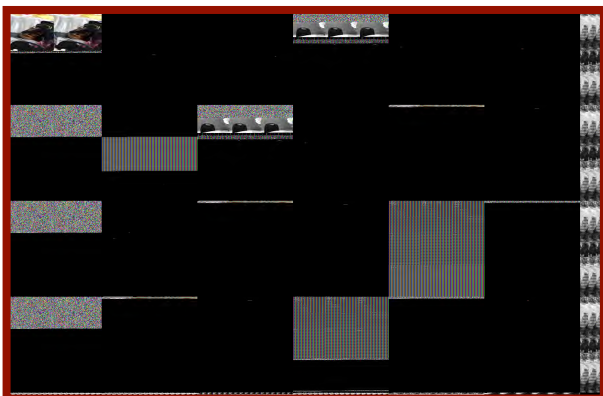

Many of the ladies of Iglesia Cristo Reina attended the Spring WMU Hispanic Retreat on the grounds of the GA Baptist Convention Center in Toccoa, GA.

ICR celebrated the upcoming birth of David and Nancy Sánchez's baby by giving them a baby shower. Nancy is our children's Sunday School teacher.

On November 10, 2018 ICR hosted a women's conference attended by 70 ladies primarily from churches in the area and in North Atlanta. We even had ladies attending from as far away as Tennessee, Perú and California! The men of Iglesia Cristo Reina along with pastor Paul Vásquez served the ladies a wonderful breakfast and lunch.

The goal of the conference was to engage with other ladies, build each other up in Christ, and to reach the unsaved. The event was a huge success and a great blessing for all who participated. The key verse for the conference was Matthew 22:39 "Love your neighbor as yourself".

Pastor Paul's wife, María, spent a considerable amount of time and energy making this event a success!
