A Word from Executive Director, Cathy Berggren

We are so incredibly grateful for our new space! This year, the Real Life Center is celebrating 20 years. I have often been reminded of God's words, and have found that looking back often reminds me of His faithfulness. We are grateful to be able to look back at all that He has done! Eugene Peterson reminds us that it's when we look back we find the courage to keep going today. Thank you for being a part of the past twenty years filled with meeting needs, sharing Christ and changing lives. I am excited to see what God has in store for the future! We hope you can join us for our Ribbon Cutting and Grand Opening celebration. May it be a time for you also to reflect on your own past and be encouraged that He has brought you through with great hope for tomorrow. Hope changes everything!

Dancing to Make a Difference

Hello friends! Our Marketing Coordinator, Lina Martin, is representing the Real Life Center by dancing in this year's local Fayette Dancing Stars fundraising event to be held on **June 8 at the Starr's Mill High School Auditorium**. Her partner is the talented Mercer Hill and they are having a great time learning their ballroom samba dance routine.

For the past several years, the Fayette County Board of Realtors has been sponsoring this event and last year over \$48,000 was raised to benefit local charities. This year, Dr. Joseph Giovinco and Dr. Gregory Alvarez of the **Ankle & Foot Centers of Georgia** are sponsoring this event. The Real Life Center is honored to be one of the five charity recipients of this year's event. We would love for you to consider supporting the Real Life Center by either attending the event (tickets are \$20), purchasing a personal or business ad or simply make a donation (please specify team Lina Martin/Mercer Hill). You can go to FayetteDancingStars.com for all these options of support. Our goal is to beat the \$48,000 amount raised last year. We would appreciate your support as she

kicks up her heels to help families undergoing unexpected difficulties in Fayette and Coweta counties. Thank You!

All Saints Anglican Church, Dogwood Kids, St. Paul Lutheran Church and School, Living Faith Fellowship Youth Group, and JC Booth Middle School have all been busy collecting food to help families in need in our community. They, along with Debbie Sanders and her wonderful group of women at Curves and the Beta Club of Rising Starr Middle School have truly been "neighbors helping neighbors" this past month keeping our shelves stocked!

"I am so thankful for you and all that your ministry has done for me and my family. For when I was hungry you fed me, you encouraged me to stand on the Word of God. You prayed with me and for me and for that I am so grateful." - RLC Client

Sunrays and Raindrops

Our Harvest for Real Life Fruit Orchard has benefited greatly from the cleansing rain and the nourishing sun rays. Acts 14:17 reminds us "Yet he has not left himself without testimony: He has shown kindness by giving you rain from heaven and crops in their seasons; he provides you with plenty of food and fills your hearts with joy." Our hearts ARE filled with joy as we look across from our new facility and see the beauty of the orchard and garden knowing we can bless those in need with nutritious produce!
