

New life at the corner of Greek and Christian

MINISTRY UPDATE FROM DEEDEE WILSON

New life for Greeks

On hundreds of campuses, maturing Christians in fraternities and sororities regularly initiate Bible discussions with housemates. They patiently build friendships, asking God to open hearts to Jesus.

Some of these friends choose to spend a weekend exploring a relationship with Jesus. Three Michigan students decided at the last minute to come to Greek Conference in Indianapolis.

Each experienced powerful transformation that February weekend.

- Sharon (Sigma Sigma Sigma) heard the gospel through a program for not-yet-Christians.

- Zoe (Delta Zeta) encountered the overwhelming power of Christian community with other students and committed to join in on campus.

- Derek (Beta Theta Pi) repented of his dependence on drugs and alcohol. He called his housemates to get rid of his stash, and asked his parents for help to stay clean.

Behind those scenes

"Pit Crew" Finance & Administration staff get to support fellow staff who coach students in more corners of more campuses. We pray - and answer questions, receipt scholarship donations, approve event venue contracts, monitor online registration, ship [InterVarsity Store](#) materials, handle childcare worker hires, and reimburse expenses. And we streamline steps to save staff time.

Thank you for praying for students with us! May the Lord Jesus who remakes and calls us into his mission give new life through you, too.
