
Programing Policies and Procedures to Ensure Visitor and Team Safety

To ensure visitor and team safety during programming when participant numbers are elevated and the possibility of infection is higher, the following guidelines will be put in place for all programming taking place at the Center.

- All participants, including team members, 3 yrs. and older will be required to wear a mask while inside the building and during program presentation. Masks will not be required during the outdoor portion of the class.

- Hand sanitizer will be located at each table for participants to use throughout their program.

- Any shared materials used during class will be sanitized at the end of the program.

- Only two people will be allowed to be excused to use the restroom at a time – 2 for each gender.

- When providing coffee for adult workshop, the following will be used: coffee percolator, disposable cups, prepacked sugar and creamer and stir sticks. A trash can will be available for throwing away trash immediately after use.

- Groups catering lunch cannot have common trays to share i.e., sandwich/dessert platters, salads, pizza etc… Individual lunches, such as boxed lunches, will be required.
