You never know what you'll encounter on Boardwalk Getaway, our new monthly guided tour. *By Carol Garrison*

Join us the third Saturday of the month from 10-11:30 a.m., and find out!

As your guide leads you down the boardwalk into the wetland, you'll learn

about this special ecosystem's flora and fauna.

Look out, up and under the boardwalk. Surprises abound.

But there's more. You'll also learn about the fascinating history of the property, the

innovative design of the wetland, the relationship the wetland has with water supply, and the interaction between hu-

man engineering and nature.

For sunny days, bring a hat, sunglasses and water.

Our Bunker's Pond walk is closed for ongoing construction.

For a respite from the routine, take a Boardwalk Getaway.
