Walnut Township Local School District – Renewal Emergency Levy

- **Walnut Township Local School District is placing a 1.4 mill renewal emergency levy on the ballot November 4, 2025**. This renewal emergency levy is for the purpose of providing for the emergency requirements of the school district and is for a period of 10 years. Collections for the renewal levy, if passed, will begin in 2027.

- Walnut Township Local School District has a current emergency levy, passed at 1.4 mills. It is currently collected at 1.0 mills. Reduction factors were applied to the millage. In other words, a difference exists between this levy's rate as authorized by the voters and the actual mills charged. *This "effective millage rate"* reflects how original voted mills are decreased to account for increasing prices in the real estate market.

- This renewal levy is also eligible for state rollbacks such as the 2.5% owner occupancy and 10% non-business credits.

- The last collections for the current levy will occur in 2026.

- **For a property owner with a home valued at $100,000, the annual estimated tax for the renewal emergency levy is $31.**

- With the current emergency levy, for a property owner with a home valued at $100,000, the annual estimated tax is $31.

- **If voters pass the proposed renewal emergency levy, an estimated $250,000 will be collected annually for 10 years.**

- Each of these estimates is based on current assessed valuations of real estate.
