Purchase a memorial sign in honor of someone who had or is fighting cancer. Memorial signs are $25 and can be purchased online or from a TWIG 1 member. More info. on Facebook **@CancerCareRun** or online at bit.ly/TWIGOne.

All money raised by TWIG 1 goes to benefit local patients of Fairfield Medical Center – specifically those battling cancer. Through the Fairfield Medical Center Foundation, we have set up a Cancer Care Fund that benefits local cancer patients by helping with nutritional supplements, diagnostic and preventative treatments and other necessary items not covered by insurance.

We have all been impacted by cancer in one way or another, and many of us know all too well the impact this disease can have on a person and their family and friends. Being able to receive treatment and support close to home is important to members of our community, and the TWIG 1 Cancer Care Fund is one way we can make that care more comfortable and more of an option here in Fairfield County.
