Rushcreek Township Fire & EMS Services Renewal Levy

- **Rushcreek Township is placing a 1.85 renewal levy on the ballot November 4, 2025**. This renewal levy is for the purpose of providing fire protection and emergency medical services. The renewal is for a period of 5 years. Collections for the renewal levy, if passed, will begin in 2026.

- A renewal levy is calculated using the original valuations from when the levy was first passed. A reduction factor (from the state of Ohio per House Bill 920) adjusts the effective millage, keeping the tax revenue at prior levels despite changes in property values.

- The original ballot issue in this case expired in 2024 and was last collected in 2025.

- **If voters approve the proposed *renewal* levy of 1.85 mills, it is estimated to generate approximately $211,764, costing $53 annually for a property owner with a home valued at $100,000**.

- The renewal levy is for the entire territory of Rushcreek Township.

- These estimates are based on current assessed valuations of real estate.

Do you have questions about plans for proceeds of the renewal levy?
