GET CONNECTED

TO MENTAL HEALTH SERVICES IN FAIRFIELD COUNTY

How We Help

Get Connected Fairfield County connects you to the mental health care/substance use treatment you need and deserve.

We Listen.

With care and compassion, we listen to understand the challenges you are facing.

We Advocate.

We help resolve issues you or a loved one may be having with current treatment providers.

We Connect.

We find the right providers to help with your specific need and ensure an appointment is secured.

We Educate.

We coach you on your rights and how to advocate for your own treatment needs.

Mental Health America of Ohio

What Happens When You Call?

A trained staff member will listen to your concerns empathetically and without judgment.

We will discuss what you are dealing with and what support you are looking for.

We will assist you in finding the services and resources that will be most helpful for your specific situation.

Finding the right support for mental health can be difficult.

We are here to help.

Get Connected's services are possible thanks to funding from the Fairfield County ADAMH Board.
