Violet Township Road and Bridge Renewal Levy

- **Violet Township is placing a 1.5 mill renewal levy on the ballot November 4, 2025**. This renewal levy is for the purpose of general construction, reconstruction, resurfacing and repairs of streets, roads and bridges. The renewal levy is for a period of 5 years. Collections for the renewal levy, if passed, will begin in 2027.

- The current road and bridge levy of 1.5 mills is set to expire in 2025 with last collections taking place in 2026.

- **For a property owner with a home valued at $100,000, the annual estimated tax for the renewal levy is $29.**

- With the current road and bridge levy, for a property owner with a home valued at $100,000, the annual estimated tax is $29.

- A renewal levy is calculated using the original valuations from when the levy was first passed. A reduction factor (from House Bill 920) adjusts the effective millage, keeping the tax revenue at prior levels despite changes in property values.

- **If voters pass the proposed renewal levy, an estimated $947,000 will be collected annually.** The current levy provides an estimated $947,000 annually.

- Each of these estimates is based on current assessed valuations of real estate.
