YOUR IMPACT ON

The League for People with Disabilities is committed to offering individuals the opportunity to gain independence, to increase self-sufficiency, and to improve their quality of life. The League has been supporting individuals and families in Baltimore's disability community for nearly a century and provides services to more than 2,000 participants each year through the following programs:

- Adult Medical Day
- Behavior Support Services
- Camping & Recreation
- CLUB1111
- Day Habilitation
- Employment Services
- League Industries
- Multiple Sclerosis (MS) Day
- Personal Supports
- The SCALE Aphasia Program
- The Wellness Center
- Youth Autism Services

Programs for **ADULTS** cater to their goals and challenges by providing opportunities and support to live as independently as possible and become more active in their community. We have diverse programs that are tailored to meet the needs of each individual we serve. Our programs offer day-to-day assistance, physical and behavioral therapy, workforce development, and recreation to help those with disabilities lead active and meaningful lives.

YOUTH programs encourage personal growth and independence for those who have physical, emotional, cognitive, or multiple disabilities. Our diverse programs are tailored to meet the needs of youth and support them with their unique goals and challenges. We offer day-to-day assistance, recreation, and unique social opportunities to help those with disabilities become more active in their community and live a full life.

In addition to providing hands-on employment and wellness classes through League Industries and The Wellness Center, The League has additional ventures that fund the organization.

Thank you to our incredible volunteer leadership!
