

The League for People with Disabilities is making a difference in the lives of people living with disabilities and their families. We encourage you to take a closer look at the impact that the organization is making in the community.

A Quantifiable Difference

- **90%** of Adult Medical Day participants are reaching their goals with the launch of **4** new recreational activities for supportive conversational topics, creative writing, sign language, and advanced sewing.
- The Wellness Center is accommodating more than **800** participants, employees, and community members annually with its adaptive fitness equipment and indoor heated pool where aquatic physical therapy sessions and aerobics classes happen daily.
- With **54%** of its members residing in Baltimore City, the MS Day Program is promoting adjustment to disability and increasing independence by creating **2** new groups focused on cognitive stimulation/strategies/programming to address loss of valued activities.
- The SCALE Aphasia Program's **45** members joined the StrokeSmart Maryland effort introduced by Governor Hogan; its advocacy group, Speak Out Aphasia, is leading the effort to make SCALE the nation's **1st** StrokeSmart Aphasia Program.
- CLUB1111 is welcoming an average of **300** guests from all over the state of Maryland on the second Saturday of every month for in-person dancing and socialization.

"I have survived 4 strokes in my lifetime and have painted 12 masterpieces this year in my Art Therapy classes." - Jackie J., Adult Medical Day Participant

The League is an Employer of Choice

- The League is hiring and welcomed **54** new staff members during the first **6** months of 2022, offering competitive salaries and advancement opportunities in efforts of hiring the best team of staff for the **2,000+** participants served annually.

THE LEAGUE

FOR PEOPLE WITH DISABILITIES, Inc.

The League for People with Disabilities is committed to offering individuals the opportunity to gain independence, increase self-sufficiency, and to improve the quality of life.

The Meaningful Day participants in Andrea's Day Habilitation Group have a great sense of pride and devotion to their community. Every Monday, Tuesday, Thursday, and Friday, they buckle their seatbelts and head to the Moveable Feast headquarters on North Milton Avenue so that they can improve the health of Marylanders experiencing food insecurity and chronic illness by delivering medically-tailored meals to the homebound men and women of Baltimore. For the participants, it is an opportunity to physically make a difference in the lives of 40 families every week. They load up the van to hand deliver meals and are rewarded with warm smiles, tail wags and kisses from pets, and updates in the lives of the recipients. One of the most important aspects of their routes is the relationships that the participants are building with vulnerable members of the community.

"I look forward to seeing the group every week because they genuinely care about my health and safety."
