

THE LEAGUE

Changemakers

Building a more inclusive future, *together!*

A new volunteer program to engage middle- and high-school students.

Spend your summer making a difference! Students will volunteer in programs like Adult Medical Day, create their own capstone project, and build leadership and teamwork skills. Through fun, hands-on activities, The League's Changemakers will gain real-world experience while making a lasting impact in the community.

Weeks of June 23 – August 21, 2026

Every other week (5 total sessions)

Located at:
