

PROFILE

Are you or your Organization interested in providing meals to Frontline Workers? Let Bar Louie help you feed local heroes!

With our #Feedthefrontline Program we can coordinate a much-needed break to Frontline Workers that are dedicating their time to fighting the COVID-19 Virus.

Bar Louie is able to provide prepared meals to local police, fire departments, and medical facilities or other recipients of your choice that are working tirelessly to keep us healthy and safe. With your help we can feed the Frontline.

Bar Louie®

Frontline Food Donation Program

ABOUT

#FEEDTHEFRONTLINE

Bar Louie has partnered with companies and organizations large and small to provide prepared meals to our community members on the front lines. Our team members will prepare and deliver a variety of fresh homemade meals with your donation.

We Want to Help

While we are unable to host our guests inside our dining rooms, we are committed to taking this time to feed those working to keep us safe until we can all celebrate together again. We love our communities and, with your help, we can give back to those who are giving us so much right now.

WHAT'S INCLUDED

Meal Sponsorships

We have set for each local chapter to let us know their donation amount and we will provide a mix of the following meals. The price for each meal is \$8/person, which we are discounting 33% from the normal menu price.

Food Options Include:

Hot Honey Chicken Sandwich

Charred Lemon Caesar Salad

Veggie Wrap

Louie's Choice Cheeseburger

Pepperoni or Buffalo Chicken Flatbread

California Chicken Club

Blue "Wedge" Salad

Boneless Wings

*Soft drink provided with each food item

Social Media

Your organization's name will be listed as the sponsor of each food delivery executed through Bar Louie. Bar Louie will also feature your organization on our local social media channels and, in some cases, nationally. We encourage all our locations to post their donations with on our social media outlets with #FEEDTHEFRONTLINE
