# Pinellas County's New Vendor Portal

## Navigate and Submit Bids

Date: Friday, October 19, 2018

Time: 9:00 – 10:00 a.m. Breakfast & Vendor Portal Demonstration

Users will gain an understanding of how to register, navigate and submit bids through the County's new online procurement portal. This system is a secure, self-service Oracle platform that will allow suppliers to:

- Identify new bid opportunities
- Navigate the procurement services website
- Update a vendor profile
- Add commodity codes for your products and services
- Submit bids and responding to requests for proposals
- Understand the contract award process
- Review a history of purchase orders and the payment process
