

Maximus Pedestal Systems

SENIOR &
EXTENDERS

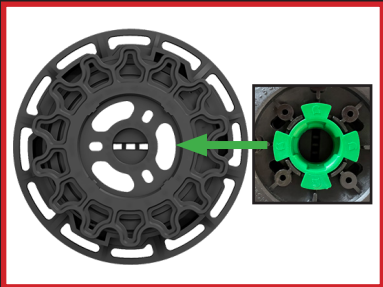

Maximus eliminates 3 or more pedestals from our competitors range!

Maximus Senior Adjustable supports for exterior elevated floors are the most innovative solution that can be used on all of your installations. The simplicity and functionality of this system is to make the job easier and more efficient. The Maximus triple screw thread technology outperforms most other products on the market.

Superior performing system designed and built to last

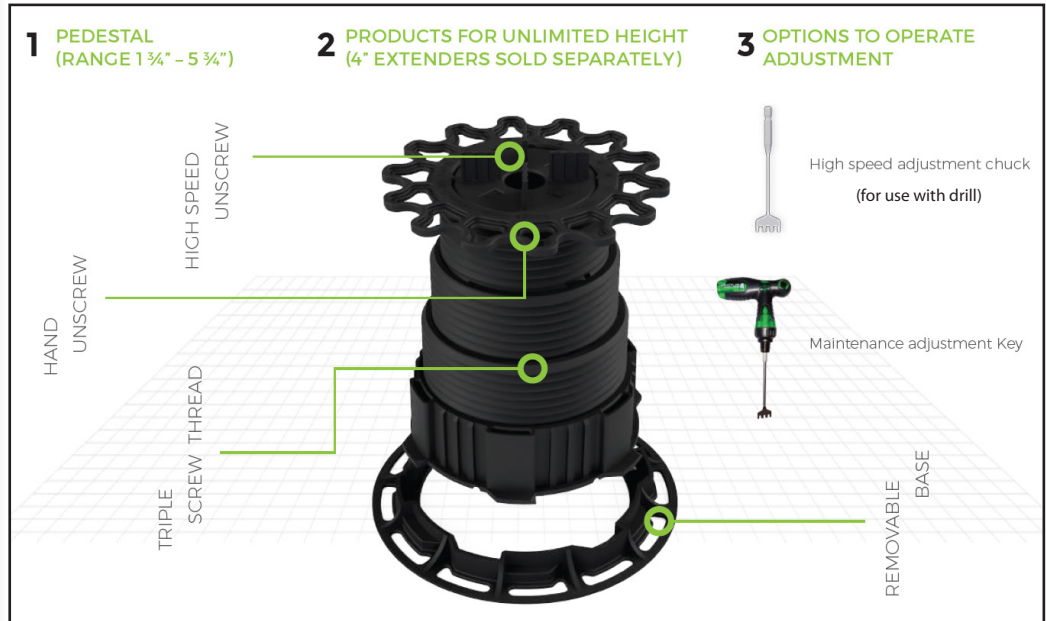

Unique multifunctional, self correcting pivot head can be fixed or pivoting by use of the lock plug.

With 4" extenders available, any height can be reached to achieve your design intent on terraces, balconies, roof terraces or outdoor areas.

Three product to cover all size requirements.
