St Philips Library Ministry

Did you know St. Philip's Library collection includes bibles, reference materials, spiritual titles and writings that offer guidance for dealing with life issues? Our collection currently includes 638 unique titles and is housed upstairs in our new Parish Hall!

Books are organized alphabetically by author, with a simple self-service sign out system. Come by before or after services or call to set up a time during office hours to look around and sign out any books that pique your interest!

A complete online listing of all the books in our collection can be found here: <https://www.libib.com/u/stphilips205> (Note, because our sign out system is manual, the online listing can't indicate whether a book is currently checked out).

If you have books you would like to donate, please contact Jimmy Nitti (jimerz49@gmail.com) or Stefanie Cristos (scristos@icloud.com) to coordinate.

Christian non-fiction books in good condition are welcomed, along with non-fiction that offers insights into God's work in our lives. In keeping with St. Philips' mission statement, we welcome any books that help us love God and love others in all we do.
