

Groundskeepers in Need of Volunteers

If you have ever wondered how the grounds are maintained at St. Philip's, it is done by the St. Philip's Groundskeepers. We are part of the Building & Grounds Ministry and consist of four teams made up of parishioners that volunteer their time to perform the chores necessary on a weekly basis to keep the grounds looking good. The teams rotate duties weekly and spend 2-3 hours on Saturday mornings, so about 12 sessions per team, per year.

The grounds at St. Philip's are looking good following our recent Beautification Day. They were refreshed with new mulch, pruning, and some fine-tuning that was needed. About once a year the teams get together to do those chores that require a greater number of volunteers, in this case, prior to Homecoming.

We are always looking for enthusiastic members and like to see new faces join us for some fun in gardening. If you feel you have the calling, the time, and willingness to spend a few hours each month, please join us. Our duties include mowing, edging, hedge trimming, and leaf management. We usually have a few new projects in mind to keep the grounds at their best. We supply the fun and tools, all you need to bring is the labor, and don't forget your gloves!!

If you are interested in an opportunity to enhance the church grounds, enjoy some fellowship, and get up-close and personal with Mother Nature, please contact either Dave Ham, or Steve Russell with any interest or questions you might have. We look forward to gardening with you!
