Prayer for Healing

Gracious Father and Physician of our souls, you correct us so that we will not go wholly astray.

When we fall, you raise us up. When we are cast down you lift us up once again.

You heal the afflictions of our race, which you love with a Father's care.

We pray to you our gracious God, that in your mercy you would visit those who are sick, and grant them healing of body, mind, and soul. Send down from on high your healing power. Touch the body, sooth the sorrow, relieve the suffering, strengthen, and calm the spirit.

Cast out every deceitful thought of the Evil One that would lead us away from you.

Be our Great Physician and strong defender.

In you, O Lord, we take refuge; let your people never be put to shame.

In the Name of our risen and exalted Lord Jesus we pray. Amen.
