

St. Cloud Diocese is proud to offer a Health & Wellness Benefit for our employees or dependents that have been diagnosed with diabetes. We are partnering with Pops Diabetes Care to offer a simple solution for managing diabetes. No need to carry around a separate meter, lancets, lancet device, and test strips. It's all-in-one, and at no cost to you!

# Why enroll?

## It's Free!

No prescriptions. No pharmacies. No copays.

## Share Your Data with Your Care Team

Know where you are before your appointments. You can share your data with a simple share link with your care team and be more knowledgeable and confident in your visits.

## Care In Your Hands

Know your numbers and estimated A1c at all times and where you stand against your goals.

## A "You-First" Approach to Supporting You

Talk with a team that understands your daily struggles. We are here for you as a team that is "By those with diabetes, for those with diabetes."
