

# CREATING ON THE MARGINS

## Art Contest!

**Theme: Made in the Image of God**

“So God created mankind in his own image, in the image of God he created them; male and female he created them.” **-Genesis 1:27**

Our Christian faith teaches us that every human person is created in the image and likeness of God (Imago Dei). This core value is the heart of our faith tradition. Catholic Social Teaching affirms the truth that human persons are created in the image of God in order to enjoy personal communion with the Father, Son and Holy Spirit and with one another.

Being created in God's image means we as humans are created to reflect the character of God. We serve as his representatives while we are on earth sharing in the Lord's abundance. Being made in Christ's likeness signifies that every human being has inherent dignity and carries the face of Christ.

## Time to Create! – create a piece of artwork and submit it

Now that you have learned what being made in the image of God means, it is now time to make a creative piece of art that represents what it means to be “Made in the image of God.” Examples of artwork you could do for the contest include paintings, poems, videos, photos, PowerPoint presentations, drawings, dramas, sculptures, stories, and songs!

***\*Please note that the signature of a parent or guardian is required.***
