

Rookie Development

DON'T FORGET "THE BIG GAME"

Rookie Development fall ball is back and Coach Kenny is excited to work with these players involved in these special training sessions. Lots of great learning and fun fall activities through the game of baseball. Here is a brief description on what we are doing this fall.

Our Rookie Development classes this fall is a great way to keep learning and enjoying the game of baseball. We plan to run 8 indoor classes with fun competition and a lot of learning the proper fundamentals. We finish the fall with an inter-squad baseball game outdoors called, "The Big Game." The Big Game will be played on Oct 24 at TBA.

We would like all of the players, parents, family and friends to be there for this memorable experience and be part of our All Star weekend wrap up with our Strike Zone Fall Competitive League All Star games played after your sons event. The older players 9-18 years of age will be on hand to cheer your player around the bases to finish their fall season.

Parents are welcome to be a part of their sons training indoors and can be involved at all practices and games. Your involvement is welcomed by Coach Ken. If you are available to assist you and your son will be rewarded a FREE MEMBERSHIP at the Strike Zone for your personal use throughout the fall season.
