

Coaches,

All parents/guardians must sign this before the first practice. If a player's parent/guardian has not signed this, the player is not allowed to participate until a signature is obtained. After you have received all signatures, you are to make a copy and turn it into The Strike Zone before the first games. You are to keep the original.

Thank You,
Strike Zone Management

Due to the Coronavirus, we are making every attempt to make our Fall League safe as we follow the guidelines set forth by the Department of Health. Coaches, players and fans are asked to acknowledge the risks, understand and follow any and all changes that need to be made to make a safe environment for all that are involved in Fall Ball.
