

1808 Sampson Street, Houston, Texas 77003 • 713.802.4620

ENERGY DAY FESTIVAL

Who: the first 40 students to return their signed permission slip will be provided bus service to and from event. The event is free and open to the public – you are welcomed to meet us there with your family. The first 40 students are provided with transportation.

What: Energy Day is Houston's largest annual FREE family festival showcasing science, technology, engineering, and mathematics (STEM). Energy Day has nearly 70 interactive demonstrations and exhibits that teach students and their families about the various forms of energy through STEM fields, along with efficiency, conservation, and other related STEM industries.

When: Saturday, October 21st

Where: Sam Houston Park | 1000 Bagby Street, Houston, TX 77002

Why: Energy Institute has been participating at Energy Day since 2013. This year our Art Car will be on display and our NHS members will be teaching interactive STEM activities at the Noble Energy booth! Join us to celebrate all things ENERGY!

In order to be eligible to attend the trip you must submit the following forms by Wednesday, October 18th to Ms. Moon:

- HISD Field Trip Permission Slip
- Medical Release Form

FIELD TRIP DRESS CODE

For this event you must wear your Energy polo. You are permitted to wear school appropriate jeans or shorts.

TRANSPORTATION

Energy Day Festival is providing bus transportation for 40 Energy students. You must be at campus by **9:30am** to ride the bus to the event. We will leave the event via bus by **2:00pm**. You must be picked up from campus by **2:15pm**.

LUNCH

Please bring a sack lunch or money to purchase lunch from one of the on-site food vendors.

DAY OF LOGISTICS

Report to campus by **9:30am**. We will return to campus by **2:15pm**.

If you have any additional questions, please email me at jmoon2@houstonisd.org.
