## **HERE COME THE IN-LAWS**

As our *Parsha* opens, word of the miraculous exodus and *Bnai Yisrael's* victory over Amalek has reached Midyan and fallen on the ears of Yitro, Moshe's father-in-law. For the past year, while Moshe was in Egypt, freeing the Jewish slaves, his wife, Tziporah and their two sons, Gershom and Eliezer, have lived safely in Yitro's house. Now that the *Bnai Yisrael* are closing in on Sinai, near the Midyanite territory, Yitro takes Moshe's family for a reunion with the "shepherd gone national leader."

When they reach the Cloud of glory they discover it is as hard as a rock. Yitro isn't able to penetrate the mist because he is not yet a part of *Bnai Yisrael* (he has not yet converted). So he sends a letter with an arrow into the Cloud of glory telling Moshe that his family has arrived. *Hashem* allows this arrow to go through. Moshe, Aharon & all the 70 *Zekainim*, followed by all of *Bnai Yisrael* leave the Cloud to greet Yitro.

Moshe tells Yitro all the details of the miracles that *Hashem* has brought about for *Bnai Yisrael*: the *makot* (plagues), the splitting of the *Yam Suf*, the "well of Miriam," the *Mann*, the *slav* and the victory over Amalek. Yitro is so ecstatic that he insists upon having a *brit milah* (circumcision) right then and there, becoming a *ger* (convert) and accepting *Hashem's mitzvot* upon himself. He offers *Kurbanot* (sacrifices) to *Hashem*, and sits down with Aharon and the *Zekainim* to have a meal, with humble Moshe serving the guests.

## **"Quote of the Week"**

*"To be kind it more important than to be right. Many times, what people need is not a brilliant mind that speaks, but a special heart that listens."*

**-The Lubavitcher Rebbe**

## **DID YOU KNOW.....**

Did you know that Judaism was put on trial and defended by the Ramban (Rabbi Moshe Ben Nachman)? At the famous Disputation at Barcelona in 1263 the Spanish King James I together with the Catholic Church decided that the best way to get Jews to convert would be to have a public debate with the greatest rabbi alive, the Ramban, that would no doubt show how wrong and mistaken Judaism is and lead to mass conversion of the Jews. It didn't exactly workout that way. The Ramban CRUSHED it and made the Church look quite foolish. King James even said "I never encountered a man who, while yet being wrong, argued so well for his position." (Of course he couldn't openly admit the Ramban was right about Judaism). When the Pope read the account of the debate he demanded the Ramban be exiled- King James promised no harm would come to the Ramban if he debated, and since exile technically isn't "harm", the Ramban had to leave Spain. Fortunately he ended up in Eretz Yisroel where he established a shul in the Old City that still exists today. To read a graphic novel of this account: go to the Teen Library upstairs.
